

Collegiate Charter School
of Lowell

August 5, 2016

Dear CCSL Parents/Guardians:

The new school year is soon approaching and we would like to inform you that CCSL will be instituting a new uniform policy in which we are adding a new black polo shirt that the students can wear in addition to burgundy and white. Sneakers will **ONLY** be allowed on gym days. Black and brown shoes are required.

We are adding the additional color in hopes to eliminate the white polo shirt for the 2017-18 school year. Many parents have expressed concerns with the white shirts being easily dirtied and difficult to keep clean.

In addition, we are excited to announce that Mill City Designs has agreed to carry the Collegiate Charter School of Lowell uniforms at a reasonable price. We are hoping that this will make the purchasing of uniforms easier for parents. However, parents are still able to shop wherever they chose; purchasing clothing through Mill City Designs is not required.

Mill City Designs can be reached at 1 (978) 455-0076 or on the web @ www.millcitydesigns.com . In addition, fliers with all of the clothing that will be offered will be on the school website, Facebook, and copies with the updated uniform policy sent to parents in the mail.

We are excited to get the new school year underway and we ask your assistance in guiding the students with these changes for the upcoming school year.

Thank you for your commitment, partnership, perseverance, and collaboration.

Sincerely,

Jeff Shanahan
Student Life Coordinator
