

## Collegiate Charter School of Lowell

Dear CCSL Parents,

Welcome back to in person learning at CCSL,

My name is Ms. Connors and I am the Academic Quality Controller (AQC) for grades 3-5. I have been with CCSL for four years. I began as an ELA/ Social Studies teacher in 5<sup>th</sup> and 6<sup>th</sup> grade for three years. I am very excited to take on my new role as AQC for this upcoming school year. My responsibilities include monitoring student performance, overseeing the exam process and scheduling, coaching teachers and modeling lessons to uphold our rigorous curriculum, and communicating with parents on anything to do with student academics. I am looking forward to have all students back in the building and getting to know you and work with your child. If you have any questions regarding your child's academics performance or would like to set up a meeting with your child's teacher, please contact me at [cconnors@lowell.sabis.net](mailto:cconnors@lowell.sabis.net) or by phone at 978-458-1399 ( x1155).

Looking forward to an amazing school year!

Best,

Ms. Connors
