

Collegiate Charter School of Lowell

Dear CCSL Community,

I am truly honored and very excited to be the Kindergarten, First and Second Grade Academic Quality Control (AQC) for CCSL. I have been in education for 21 years and have served in many roles. I began my experience in Rhode Island as an elementary teacher for second and fourth grade, a teacher in multiple settings, as well as an Elementary Principal for 5 years. I was hired at CCSL midway through the 2020-2021 school year as a third grade teacher and from there, I transitioned to fifth grade for the 2021-2022 school year. I have enjoyed being a member of CCSL community and am so excited to continue working with students and teachers as the AQC!

As I think about the start of the school year, my goal is to be a visible and present leader who spends time getting to know all the students and staff members. I look forward to the fun and exciting opportunities ahead of us this school year and all the success that we will achieve together!

Sincerely,

Celeste Conti
AQC for Grades K-2
