

Collegiate Charter School of Lowell

Dear Collegiate Families,

My name is Mrs. Gaudreau, and I am the Academic Quality Controller (AQC) for grades 6-8. My time at Collegiate began in 2017 as a kindergarten paraprofessional and student management assistant, until I became a building substitute and eventually a classroom teacher for the past three years. Additionally, I have coached volleyball and basketball, and most recently I was the coordinator for the Extended Day Program.

As an AQC, it is my responsibility to ensure your student's academic experience is successful. Some aspects of this responsibility include monitoring student performance, overseeing the exam process and scheduling, coaching teachers and modeling lessons which uphold our rigorous curriculum, and working in partnership with families to ensure student success. I am excited for the opportunity to be a part your student's academic journey, and I look forward to working with you this year!

If you have any questions or concerns regarding academics, please do not hesitate to email me at agaudreau@lowell.sabis.net or call at (978) 458-1399 ext. 1162.

Sincerely,
Amanda Gaudreau
AQC (6-8)
