

## Collegiate Charter School of Lowell

Dear CCSL Parents,

WELCOME BACK!!

My name is Mrs. Quinlan and I am the Academic Quality Controller (AQC) for grades 9-12. This is a BIG year as we welcome our first graduating class of 2023 and ALL the activities we have to plan for the seniors. Many of the students in grade 12 were my first year, 3<sup>rd</sup> grade students, YIKES!!

I have been with CCSL since the school opened and I have been in the role of a teacher, grade 3 and 5, math intensive teacher, an AQC K-3, AQC 4-6, AQC 6-8 and now the High School AQC grades 9-12. My responsibilities include monitoring student performance, overseeing the exam process and scheduling, coaching teachers and modeling lessons to uphold our rigorous curriculum, and communicating with parents with anything to do with student academics. If you have any questions regarding your child's academics performance or would like to set up a meeting with your child's teacher, please contact me at [squinlan@lowell.sabis.net](mailto:squinlan@lowell.sabis.net) or by phone at 978-458-1399 (x1136).

Looking forward to an exceptional school year!

Mrs. Quinlan
