## About Me

My name is Ashley Bailey and I am the Student Life Coordinator for the Collegiate Charter School of Lowell. As the SLC I will oversee the planning of events, tutoring sessions, community outreach, as well as many other tasks. This will be my 6th year at Collegiate and I'm excited to help our students become active and constructive members of the Lowell community.

## The Student Life Organization<sup>®</sup>

SLO<sup>®</sup> is a student-led society that empowers students to hold responsibility for many aspects of school life. While providing opportunities for emotional, social, and moral growth, SLO<sup>®</sup> helps students develop their academic, managerial, organizational, and leadership skills in a variety of academic and nonacademic activities. These include peer tutoring, planning athletic activities and social events; organizing community service projects; and being involved in the school newspaper and school yearbook.
